To whom it might concern

Bluetooth Declaration Letter

Dear Sir/Madam,

Product Name:LeikrWatch, Trade:Leikr,
Model:LKR1,LKR2,LKR3,LKR4,LKR5,LKR6,LKR7,LKR8,LKR9,LKR10,LKR11,LKR12

Regarding Block diagram, Schematics and Operational description, references to Bluetooth functionality are made. The hardware platform does support Bluetooth functionality and supports ANT+ functionality by means of the Bluetooth Radio - Currently the Bluetooth functionality is not accessible/enabled to the End-user, only the ANT+ functionality is accessible/enabled to the End-user.

Acorn Projects Aps may at a later stage obtain certification for Bluetooth if we want to enable Bluetooth functionality to the End-user.

Thank you!

Palle Staffeldt
Hardware Development
Manager,
Acorn Projects ApS
